

FRAGRANCE (FAITH IS RISING)

Written by Zenzo Matoga and Phil Thompson

VERSE 1

Faith is rising
Hope is stirring
Something's moving
Something's moving
Joy exploding
Hearts are yearning
Something's moving
Something's moving

CHORUS

So receive our fragrance
Our fragrance
Our great God
We offer up our praises
Our praises
Our great God

VERSE 2

Praise is rising
Chains are breaking
Something's moving
Something's moving
The earth is shaking
Revival is spreading
Something's moving
Something's moving

BRIDGE

Dry bones are rising up
Dry bones are rising up
We are victorious
We are victorious
