

# ONLY ONE

*Written by Zenzo Matoga and Chris Cherry*

## VERSE 1

In Christ alone my hope is found  
My light, my song, He is my strength  
This cornerstone, this solid ground  
Firm through the fiercest raging winds

## CHORUS

The only One, the only One  
The only One who's in control  
The One who's in control  
Jesus Christ, seated on the throne  
The only One who's in control  
The One who's in control

## VERSE 2

You speak to waves and they obey  
You crush our fears, You walk on storms  
And like a thief, You'll come again  
Victorious, You'll bring me home

## BRIDGE

Who can stand against our God  
When we call upon His Name  
Jesus Christ our victory  
Jesus Christ our victory  
Tell me death where is your sting  
When we call upon His Name  
Jesus Christ our victory  
Jesus Christ our victory
