

PROMISES

Written by Zenzo Matoga and Phil Thompson

VERSE 1

You never let us down
You fulfill Your word
You fulfill You word
We've come to testify
We've seen Your faithfulness
We've seen Your faithfulness

CHORUS

Nothing can stop Your promises
Your promises for me will be fulfilled
Nothing can stop Your promises
Your promises for me will be fulfilled

VERSE 2

We touch and we agree
Fear, you have no place
Fear, you have no place
We stand and we believe
There's power in Your Name
There's power in Your Name

POST CHORUS

Amen
Amen
Your promises for me will be fulfilled

BRIDGE

You're faithful to the end
You're faithful to the end
Jesus my Champion
You're faithful to the end
