

SOUND OF HEAVEN

Written by Mariah Panza, Chris Cherry, Tyler Oates, Adriel Ferguson

VERSE 1

Enter His gates with praise
Worship His holy Name
He is good
He is good always
We bow down amazed
By His wonder and grace
He is good
He is good always

CHORUS

All the earth
We will sing to Him
It's just like Heaven
Praises echoing
Let the trumpets sound
Let the walls come down
It's the sound of Heaven
Praise His Name

VERSE 2

Come make a joyful noise
Triumph and rejoice
He is good
He is good always
Creation will still remain
Generations will still proclaim
He is good
He is good always

BRIDGE

Dance like the shackles are already gone
Lift up a shout for the victory is won
Great is the Lord
Praise Him forevermore
