

# NOTHING ORDINARY

*Written by Chris Cherry*

## VERSE 1

There is nothing ordinary about my God  
There is nothing ordinary about my God  
The One who formed my future from the dust  
Oh, there's nothing ordinary about my God

## VERSE 2

There is nothing ordinary about my King  
There is nothing ordinary about my King  
Traded Heaven's crown to bear a cross for me  
Oh, there's nothing ordinary about my King

## CHORUS

Oh God of Wonders  
Oh King of Kings  
Oh Friend forever  
My soul will sing  
My soul will sing

## VERSE 3

There is nothing ordinary about this Friend  
There is nothing ordinary about this Friend  
His lovingkindness leads me to repent  
Oh, there's nothing ordinary about this Friend

## BRIDGE

You created life  
You give every breath  
There is no one like You  
No one else  
You took all my shame  
And defeated death  
There is no one like You  
No one else
